Mockplus Group Buying Guide

Thanks for supporting our Mockplus! You can follow the guide below to make the group buying. Hope you enjoy it!

Part I. Payment

1. Please go to https://www.mockplus.com/buy/team to enter the Group Buying page. Follow the directions given out there to complete the payment.

2. After the purchase, please find the license keys which will be included in the email of MyCommerce (our 3rd party payment provider) in your inbox, including the spam folder.

Part II. Member Verification

1. Distribute the license keys to your team members, one key per person.

2. The team members who have gotten the license key should go to https://www.mockplus.com/user/login to sign into the account. If you do not have an account yet, please register with Mockplus via: https://www.mockplus.com/user/register. After that, go to https://www.mockplus.com/user/upgrade to verify license key to upgrade to Pro version.

3. Input the license key to complete the verification process.

4. Restart Mockplus and it would be upgraded to Pro version automatically.

Should you have any further question or problem, please do not hesitate to contact us.
